Comments:

1. (paragraphs 1-4) The above information indicates that the transport regiment at Schoenefeld was transferred to Alt Loennowitz which is served by the Falkenberg railroad station. The fighter regiment, which had been stationed at Alt Loennowitz in addition to a ground attack regiment, will possibly be transferred to Finsterwalde. The possible transfer from Staaken to Schoenefeld airfield of the second transport regiment may be due to the fact that Staaken airfield is located too close to West Berlin.
